There's a mansion on a hill where you reside.... in heaven.

No more tears, hurt, or pain.... thunder or rain.... in heaven

You're dancing in heaven now... dancing... in heaven

Many years we've shared and oh how much I've cared for you

Oh but nothings really changed, you're just on the other side of the river

You're dancing in the river now... oh you're dancing

You're dancing in the river now... oh you're dancing.....by the river

One day I'll be with you

But for now, I have His work to do

This is just a moment in the folds of time..... ooh ooo

So your eternity is now, but my today's go on down here

Oh I comfort in the thought that where you are I'm going.

We'll be dancing on streets of gold... oh we'll be dancing

We'll be dancing on streets of gold... dancing ..... in heaven

Heaven, heaven will be our home.

We're gonna be with Jesus!

We're gonna be with our Lord together
