In this world where You're not welcome
And You are pushed aside
My hearts here for You Jesus
Come abide

Come Abide

You can have the throne of my heart
I know it's not the purest gold
To work Your will within me
Come Abide

Come Abide

In the very room this hour
I just want you to know
How I long for Your Spirit
Come Abide

Bridge:
My heart is far from heaven
It's all I have to give
Lord take this heart and make it Your home...
Come Abide
