As the tide longs for the shore
And as the young bird longs to soar
So I long for You, I long for You

As a stray dog longs for a home
And as a deer longs for her safety
So I long for You, I long for You

CHORUS:

You're sweeter than the sweetest
More precious than gold
Far more than any beauty any one beholds
Lovelier than the lilies
That grow in the spring
You're my all in all,
My King of kings.

As a hungry child longs for food
And an orphan for a family
So I long for You, I long for You.

As a mother longs for her lost child
Or a slave longs for freedom
So I long for You, I long for You.
