As our story goes and life un-folds  
with many joys and many woes  
People come and people go,  
but You remain

Friends of old their hearts grow cold  
and memories fade that once were gold  
People come and people go,  
but You remain

You Remain my Friend and my Father  
You remain when friends forsake  
You remain a friend to the faithless  
You remain

In my hand is a little hand  
and I know one day he'll become a man  
Children come and children go  
but You remain

Family years, the joys and tears  
time flies by, months disappear  
I show a smile beneath the tears  
Because You remain
