Dear Mom, I hope this letter finds you well
I've been so busy, and there's so much to tell.
The baby's gotten so big and I wish you were here to see
and to share those special moments that you had with me.

Chorus:

All those Christmas trees, and the scraped up knees
school books and toys, and life's little joys.
They'll soon start over again, with our new little friend
but I wish you were here to see, him grow with me.... dear mom.

Today the baby turned one.
You should've seen his face, with the candle on the cake.
And last week he took his first step on his tippy toes,
He smiled with great joy, we said, "What a big boy!"... dear mom
(to chorus)

Bridge:

Time has come and I must go, you're in my thoughts a lot you know,
I'll be sure to write again.
Just to let you know, how much I miss you so, I'll be in touch....
dear mom.
